AMHERST, NH: At the October meeting of the Amherst Republicans, a new slate of committee officers was elected by the members in attendance. The winners are as follows:

Chairman: Mark Vincent

Vice Chair: Bill Modis

Secretary: Steve Cummings

Treasurer: David Citarelli (incumbent)

This executive team will work with our members as well as Republicans and independents within our community and throughout the County and the State to support Republican principles, policies, positions, and candidates in accordance with the party platform, and the New Hampshire and United States Constitutions. During the critical 2010 election cycle we will seek to elect candidates that support these principles to State and Federal

office. For more information on the committee and our activities and meetings please visit www.amherstrepublicans.org and follow us at www.twitter.com/AmherstGOP.
